## Durham Recognized in Top 50 Leading Fleets for 2016

DURHAM, N.C. – The City of Durham has received recognition for its efforts to have one of the best government vehicle fleets in the industry.

The City's [Fleet Management Department](#) has been recognized as one of the [Top 50 Leading Fleets for 2016](#) by [Government Fleet magazine](#) and the [American Public Works Association](#). The awards program, sponsored by Ford Motor Company, recognizes operations that are performing at a high level, particularly in fleet leadership, competitiveness and efficiency, planning for the future, and overcoming challenges.

For more information about the City's recognition as a Top 50 Leading Fleet, contact Fleet Management Director Joe Clark at (919) 560-4101, ext. 31223 or by [email](#).

### About the Fleet Management Department

The City of Durham [Fleet Management Department](#) is responsible for all services related to the City's vehicles and equipment. The goal of the department is to procure safe, dependable, cost-effective equipment, and furnish quality maintenance services to all City departments. Fleet Management consists of two divisions: Fleet Maintenance and Fire Maintenance. The department is also a member of the [Triangle Clean Cities Coalition](#). Guided by the City's [Strategic Plan](#), the department enables all City departments that use vehicles and equipment to provide excellent service to the residents of Durham.
